

**Correction**

Danziger J, Zeidel ML. Osmotic homeostasis. *Clin J Am Soc Nephrol* 10: 852–862, 2015.

On page 860 within the above-referenced article, the following sentence was incorrect: “Recent gain-of-functions mutations in the vasopressin gene have been described, causing a ‘SIADH-like’ clinical picture with undetectable vasopressin levels, termed *nephrogenic syndrome of inappropriate antidiuresis*.”

The sentence should have indicated that the mutations are in the V2 vasopressin receptor gene and should have read as follows: “Recent gain-of-function mutations in the V2 vasopressin receptor gene have been described, causing a ‘SIADH-like’ clinical picture with undetectable vasopressin levels, termed *nephrogenic syndrome of inappropriate antidiuresis*.”
